This guide cross-references Arizona Oxides Colors to QC colors on the QC ColorTech two page color chart.

* These specific cross-referenced colors are approximations and do not represent exact color matches. Due to periodic changes in competitor literature, color tones or manufacturing practices the colors listed may no longer be exact matches. If you are seeking an exact color match, please submit a sample for analysis to the QC Construction Products color lab technicians.

A minimum quantity or nominal charge may be required. Please contact QC Customer Service for additional information and a price quote.
